Description of Services:

Employment

We assist people with obtaining employment by offering assessments, job development, and job coaching.

Residential Support

We operate three Group Homes for persons requiring support in daily living in a congregate setting (4 to 6 residents per home).

We contract with homeowners in local communities to provide homes for individuals who want to live in a family setting.

We support people to live in their own apartments with in home supports.

Community Supports/Inclusion

We pride ourselves in helping people to realize the benefit of relationships. We network within our community with civic organizations and with local business to create awareness and genuine potential for those we serve to build their own personal relationships.
